

THE ANTHONY MASCIA MEMORIAL SCHOLARSHIP

The Anthony Mascia Memorial Scholarship was established to honor the memory of Anthony Mascia who tragically died in a car accident in 2014. Anthony was a student at Watchung Hills and a member of the Ice Hockey team. This scholarship is also in recognition of his friend, teammate, and member of our local volunteer services who valiantly attempted to save Anthony's life, Tyler Reedman.

The Anthony Mascia Scholarship Fund will be awarding one scholarship to the further education of one Watchung Hills Regional High School senior who is a member of a local fire department and/or member of a local first aid squad.

The scholarship will be awarded to one student who presents the quality and traits of these two former Watchung Hills students:

1. Anthony Mascia: Generous and joyful person with the passion for the sport of hockey. His unselfishness was embraced along with his love for his friends and family.
2. Tyler Reedman: Compassionate person, teammate, and volunteer who showed extraordinary courage and responsibility in the wake of tragedy.

Please submit a one page essay describing how your qualities are familiar to those of Anthony and Tyler and why you have volunteered to help in the community.

Amount of Scholarship: \$500.00

Please email all submissions to: ttbeano@verizon.net

Deadline for all submissions: Monday, May 15, 2017
