

PTO Welcome Letter 2016-2017

On behalf of the Watchung Hills Regional High School PTO, we would like to welcome all new and returning families to the PTO. The WHRHS PTO has been very busy planning and implementing programs and activities that will make this a fabulous year for our teachers and students.

It is because of the strong volunteer efforts of our parents and the dedication of our teachers that we are able to offer so many educational and fundraising activities throughout the school year. WHRHS PTO objectives include providing services that will enhance the educational experience and financially support the activities and needs of WHRHS.

We urge you to get involved by regularly visiting our website, reading the newsletters, attending PTO meetings, volunteering to help on a committee or an activity, supporting fundraising events during this year. There is no bigger thrill for our students than to see their families involved in their education. So whether you can help run a committee or simply help out when you can, no effort is too small.

Please visit our website www.whrhs-ptd.org. Your involvement is how our PTO stays strong and our students achieve success. You can truly make a difference!

If you have any questions, concerns, ideas or would like to get involved, please contact us at WHRHSTT@gmail.com or on our Facebook Page:

www.facebook.com/WatchungHillsRegionalHighSchoolPTO

Let the fun begin and may we have the best year ever!

Warmest Regards,

Danielle Heise, President

Aparna Virmani, Vice President

Rosa Munoz, Treasurer

Greg Biniukow, Teacher Liaison
