

# WATCHUNG HILLS REGIONAL HIGH SCHOOL

Elizabeth C. Jewett  
Superintendent

Timothy M. Stys, CPA  
Business Administrator

George P. Alexis  
Principal

August 2016

Dear Parent/Guardian:

We look forward to welcoming your student in September. This letter provides important information related to your student's schedule and counselor assignment. The scheduling process at WHRHS is a very careful and important matter which requires the input of students, teachers, counselors, and parents. Students are in essence making a commitment which determines the master schedule and staffing needs for the upcoming school year. In reviewing the Parent Access posted course schedule, it is important to note the following:

General information:

1. As a practice, the school district does not honor requests for teacher changes. Any concerns in the area need to be directed to the appropriate supervisor.
2. Schedules reflect your student's grade level for 2016 - 2017. Students are promoted to grade 10 if they have earned 33 credits at the end of grade 9; to grade 11 if they have earned 66 credits at the end of grade 10; and to grade 12 if they have earned 98 credits at the end of grade 11.
3. **Students will have from September 6 - 13 to request period for period elective changes.** Elective changes from the **start of school through September 13** will be considered on a period for period basis pending availability. This will be the only time electives will be changed during the 2016-17 school year. Changes to electives will not be allowed mid-year.

Students should contact their counselors if one of the following schedule conflicts exists:

1. to address a failure which prohibits progress to the next sequential course
2. to take into account successful summer school remedial courses
3. to correct a data processing error
4. to permit seniors to fulfill graduation requirements

In addition, students who request to drop a course once school has begun must follow the deadlines as described below:

#### Semester One Courses

- Dropping a course prior to Oct 5, 2016 will result in the course not being reported on the transcript.
- Dropping the course after this date will result in a WP or WF on transcript.

#### Semester Two Courses

- Dropping a course prior to March 3, 2017 will result in the course not being reported on the transcript.
- Dropping the course after this date will result in a WP or WF on the transcript.

#### Year Long Courses

- Dropping a course prior to November 15, 2016 will result in the course not being reported on the transcript.
- Dropping a course after this date will result in a WP or WF reported on the transcript.

Listed below are the lists of supervisors for each subject area followed by your counselor assignments. All supervisors and counselors can be reached via e-mail: first initial last name @whrhs.org.

|                                  |                   |
|----------------------------------|-------------------|
