June 7, 2022

WHRHS Students and Parents/Families:

Tentative schedules for the 2022-2023 school year will be released via Genesis Parent Portal this week and next week as follows:

- Thursday, June 9th 3pm- Current WHRHS students
- Monday, June 13th 3pm- Class of 2026 Students

With a high percentage of students receiving the courses requested, the tentative schedule will be a reflection of those requests and there will be no need for further action at this time.

However, as always, school counselors will be available to address:

- Any core academic course missing in a student's schedule. This includes courses in English, Social Studies, Science, Mathematics, World Languages and Physical Education/Health.
- Concerns with errors in sequential course placement or a student is placed in a course without the prior prerequisites.

Through June 15th, period for period elective changes will be reviewed only for students not receiving a requested elective course. Also, as a reminder, we cannot honor requests on specific teacher assignments. Additional schedule details including teacher and room assignments will be provided over the summer.

With only a short time left in the 2021-2022 school year, I wish all our students and families a safe and healthy summer!

Sincerely,

Mr. Jason J. Sabino

Director of School Counseling
