Dear Parents, Guardians, and WHRHS Students:

I hope this letter finds you well. Students' course request confirmations for the upcoming 2022-2023 school year are available through April 29th in Genesis Parent Access under the Scheduling Tab. As noted in my February 2022 letter, this is *not a schedule* but a confirmation of a student's primary requests and teacher recommendations.

As schedules are developed, School Counselors will address conflicts that arise using students' alternative course requests. Students will receive tentative schedules in June. Students not receiving a requested elective course will have an opportunity in June to make available period for period elective changes.

I appreciate your support of our efforts to serve the Watchung Hills students. I hope everyone has a healthy and enjoyable Spring Break!

Sincerely,

Mr. Jason J. Sabino
Director of School Counseling
