Isaiah Davenport is from Somerville and attended Somerville High School where he starred on the hardwood for four years. He continued his academic and playing career at Montclair State University and was a standout guard for the Red Hawks. Coach Davenport has not hung up the laces just yet as he stays active by playing in various men's leagues. Currently, he works as an Instructional Aide at Somerville Middle School.

Coach Davenport brings a wealth of coaching experience to the Hills as he has coached at many different levels. He was the Head Freshmen coach at Somerville for seven years, and has coached multiple travel and AAU teams. He is excited to join the Watchung Hills coaching staff and work with the players in helping them to achieve their goals.
