**Anthony Rocchietti** returns to the family and Watchung Hills following a tremendous athletic high school and college career. A 2015 WHRHS graduate, Coach Rocchietti was a two-sport star (basketball and baseball) and played three years of Varsity basketball under Coach Salton. On the hardwood, Coach Rocchietti was an elite scorer with his ability to shoot the three and get to the rim. He earned 1<sup>st</sup> Team All-Conference during his senior year, helping lead the Warriors to a 14-12 mark with a very tough schedule. He would continue his academic and baseball career at D1 Manhattan College before

transferring and finishing up at Ramapo College.

Coach Rocchietti brings a lot of passion and pride to the Watchung Hills coaching staff. In his first season back at his alma mater, he helped the program achieve their best season in school history...25 wins and appearances in the Conference, County, and State finals. He is excited be a part of the Watchung Hills coaching staff and work with the players in helping them to achieve their goals and live the WH family culture.
