WHRHS Strategic Plan Goals: 2015-2020

With an intentional focus on putting students first, the WHRHS District will provide the resources, technology, and organizational change to achieve the following goals:

A Warrior Vision

Create and expand programs and services that enhance the social and emotional wellness of all students within a compassionate learning community.

Build and strengthen support structures that engage students in developing their individual potential, enable students to experience success in high school, and empower students to plan and prepare well for post-secondary learning.

Integrate creative, innovative, and interdisciplinary learning throughout the district to empower and inspire students to succeed in a changing global community.
