Dear Parents and Incoming Students:

First and foremost, I hope this letter finds you all well. We know the COVID-19 pandemic is impacting family and friends of our WHRHS community. I'm proud to be a member of this school district as I have watched the community rally together these past few months to support those in need. The administrators, teachers, counselors and staff continue to prioritize the students' educational goals, well being, and plans for the future. A large and exciting part of our commitment to advocate for all our students is the continued planning for the arrival of the Class of 2024!

First, I am happy to announce The Orientation for Eighth Grade students has been rescheduled for Wednesday, June 3rd at 7pm. The Orientation will be presented online via Zoom and the link will be shared on the website by June 1st. All incoming 8th grade students and parents are encouraged to attend. As part of this event, students will hear firsthand about experiences getting acclimated to high school and the range of co-curricular activities and athletic programs that WHRHS has to offer. Further information on this evening and updates for the Class of 2024 will be posted under the "Eighth Grade Transition Program" section of the district website.

Additionally, in the next few days, parents will receive an email notification with details on how to access your WHRHS Parent Portal account. Once you login, please review and sign the *Technology Agreement* so that your child's Chromebook can be made available at the start of school. By the 15th of June, freshmen will receive tentative schedules through the Parent Portal. When they are received, students and parents with questions should email the assigned School (Guidance) Counselor. The Class of 2024 Counselor Assignments, as well as the contact information for our Supervisors and Directors, can be found on the WHRHS website under "[Eighth Grade Transition Program](#)."

In a few short months, we will welcome our new class of Warriors to WHRHS! In the meantime, although none of us could have imagined that your middle school careers would end this way, please embrace the opportunity to celebrate your child's achievements and reflect on all the memories made. Staying home and spending time together is certainly precious.

Sincerely,

Mr. Jason J. Sabino  
Director of Guidance
