WHRHS Students and Parents/Families:

Tentative schedules for the 2024-2025 school year will be released via Genesis Parent Portal on Thursday, June 6th by 3pm. With a high percentage of students receiving the courses requested, the tentative schedule will be a reflection of those requests and there will be no need for further action at this time.

However, as always, WHRHS school counselors will be available to address:

- Any core academic course missing in a student's schedule. This includes courses in English, Social Studies, Science, Mathematics, World Languages and Physical Education/Health.
- Concerns with errors in sequential course placement or a student is placed in a course without the prior prerequisites.

Through June 13th, period for period elective changes will be reviewed only for students not receiving a requested elective course. Also, as a reminder, we cannot honor requests on specific teacher assignments. Additional schedule details including teacher and room assignments will be provided over the summer.

With very little time left in the 2023-2024 school year, I wish our students and families a safe and healthy summer! We look forward to welcoming our Class of 2028 Warriors this Fall 2024!

Sincerely,

Mr. Jason J. Sabino, Ed.S.

Director of School Counseling
