Dear Incoming WHRHS Students and Parents/Caregivers:

I hope this letter finds you well! As we are already excitedly working to welcome you to the Watchung Hills Regional High School hallways as part of the Class of 2027, I wanted to share some updates and information to our soon-to-be Warriors!

New this year, from February 22nd through March 10th, all Class of 2027 parents/caregivers will have access through [WHRHS Genesis Parent Portal](#) to review teacher recommendations and to select world language and elective courses for 9th graders.

We encourage students to review the [Program of Studies](#) carefully. When selecting elective courses, it is important to remember the following:

- Students are encouraged to develop a four-year course sequence that will provide opportunities to explore academic interests and to excel in the diverse offerings of the WHRHS curriculum.
- Students are asked to select no less than ten (10) elective requests to accommodate alternatives in the scheduling process.

Course request confirmations will be available in Genesis at the end of April. This will not be a final schedule but a confirmation of student requests and teacher recommendations. Students will receive their tentative schedules in June.

All 8th grade teachers have made recommendations for a successful start to your high school journey. Any concerns regarding these recommendations should be addressed by speaking with your 8th grade teachers through the end of March. While we look forward to getting to know you soon, please have a healthy and enjoyable second half of your 8th grade year!

Yours in Education,

Mr. Jason J. Sabino
Director of School Counseling
