Dear Parent/Guardian:

Your child has been selected to participate in the Watchung Hills Regional High School District Title I Supplemental Program during the 2015- 2016 school year. The Title I Program is a Literacy and Math Intervention Program designed to support identified students in their regular math class, monitoring each child's academic progress and providing your child with an individualized instruction plan. Placement in the program is based on multiple measures including but not limited to teacher recommendations, report card grades, open ended assessments, and/or standardized testing results. He/she will receive remediation in:

_____ Language Arts Literacy

 X Math

The students who participate in this program are not singled out, labeled or identified in any manner.

We urge you to keep in close contact with your child's teacher to discuss his/her progress. With our combined effort, your child will become the successful student for which we are all striving.

Additionally, a parent meeting will be held on **Tuesday, November 3, 2015** at 10:30 am in the West Wing Main Office of Watchung Hills Regional High School. This will be an informational meeting about the Title I program at Watchung Hills Regional High School. Please RSVP via e-mail to Mrs. Mary Ellen Phelan at mphelan@whrhis.org
