

## **PARENT FAQs**

### ***Absent***

A parent should call the Attendance Office each day the student is absent from school: 908-647-4800 ext. 4830 (for Grades 9-10) and ext. 4831 (for Grades 11-12) for full-day absences or you can enter the absence in Parent Access.

### ***Early Dismissals/Late Arrivals***

Students must obtain an early dismissal from the attendance office prior to the start of the school day. A parent must be contacted on the day of the early dismissal of any student driving themselves. We understand that last minute emergencies occur but please try to notify attendance in advance of an early dismissal so we can provide a pass to the student to avoid class disruption.

### ***How are absences excused?***

Doctor's notes will excuse missed time of absences. These notes need to be submitted to attendance and the time will be adjusted. Driving tests are excused. Please let attendance know about this test. Extra curricular activities are not excused but considered. Please provide attendance with documentation of the event and we will enter in the comments for future consideration.
