David Peterson

Service from 1957 – 1993 and 2008

David Peterson was instrumental in establishing the educational and cultural foundation for Watchung Hills Regional High School. Having served the school from 1957 through 1993, when he retired, David helped to institute practices and policies which translated into a culture of excellence at all levels - administration, faculty and students.

David's areas of expertise started in teaching English and progressed into Guidance Counseling. It was his expertise in Guidance that enabled him to become co-founder of the County Guidance Association.

His passion for excellence in guidance, helping students find the right path, still lives in David today. He is a highly regarded speaker and consultant on the topic of guidance and travels the country helping to educate others based on his experience and expertise. In addition to his consulting activities, David is also an assistant director of admissions for Wesleyan University.

He continues to live in Warren with his wife Jan.

As one of WHRHS's first and most committed educators, we are proud to have David Peterson enter the Watchung Hills Regional High School Hall of Fame.
