

WATCHUNG HILLS REGIONAL HIGH SCHOOL

ELIZABETH C. JEWETT, PhD
SUPERINTENDENT

TIMOTHY M. STYS, CPA
BUSINESS ADMINISTRATOR

WILLIAM J. LIBRERA
PRINCIPAL

Dear Parent/Caregiver(s) and WHRHS Students,

In alignment with the goals outlined in our district's five year Strategic Plan, we will be participating in survey data collection using the **New Jersey School Climate Improvement (NJ SCI) Survey**, which was developed, and is administered, by Rutgers University in order to help schools obtain multiple perspectives on aspects of school climate. Collecting data is important for understanding strengths and needs in our school and how it feels to be a member of the learning community. The data will be used to make improvements to the school. This survey is anonymous and voluntary. A letter with instructions on how to take the parent and caregivers survey will be sent soon and the survey will be accessible for parents and caregivers to complete from April 5th to 14th. Your voice is important to us and we hope you will participate.

School and district staff will be able to view responses from the survey on a password-protected online platform. Individual responses on the survey are combined for reporting purposes by group. For example, your answers on the survey will be combined with those of other parents. No one will have access to individual respondent's answers.

Administration of the student survey will take place during the school day on April 6th and 7th. Preview the items on the student survey(s) here: [Students Grades 3-5 Survey](#); [Students Grades 6-12 Survey](#). This is a chance for us to learn about your child's opinions about the school.

If you have any questions, please contact Mr. Jason Sabino, Director of School Counseling, at jsabino@whrhs.org. You may also contact Rutgers University staff with questions by emailing njscisupport@rutgers.edu.

Sincerely,

Mr. William Librera
WHRHS Principal
