August 22, 2022

Dear Warriors and Parents/Guardians:

As we look forward to welcoming the Class of 2026 and returning students next week, this letter provides important information related to student schedules and counselor assignments.

Watchung Hills Regional's student-driven scheduling process requires much time and careful consideration involving students, parents, teachers, counselors, and school administrators. After requesting courses this past Spring for the upcoming school year, students made a commitment to these selections which determined the master schedule.

In reviewing the posted course schedule in our district's SIS Genesis, it is important to note the following:

1. Schedules reflect your student's grade level for 2022-2023. Students are promoted to grade 10 if they have earned 33 credits; to grade 11 if they have earned 66 credits; and to grade 12 if they have earned 98 credits. As noted in the Program of Studies, students must earn 131 credits to meet WHRHS graduation requirements.
2. As a reminder, we are unable to honor requests for specific teacher assignments and/or make changes to elective course placements.

To find your school counselor assignment, log into your [Parent or Student Access account](#) and the counselor's name is listed on the Summary page. Please contact your school counselor if one of the following schedule conflicts exists:

1. To address a course sequence issue (i.e. scheduled for a course without the required prerequisite).
2. A course adjustment is needed for a 12th grade student to fulfill graduation requirements.

Schedule change requests will only be reviewed if they impact graduation required courses and/or prerequisites. If you have difficulty logging into your Genesis account, please email parentconnect@whrhs.org for assistance. We look forward to seeing you all soon!

Sincerely,

Mr. Jason Sabino
Director of School Counseling
