

Student Questionnaire

Instructions: The information in this questionnaire will be utilized in writing your counselor letter of recommendation. In completing the questionnaire, understand that anything included may be added to your letter. If there is anything specific you are hesitant to write about here, you should speak directly with your counselor. Please answer all areas for each question. Initial here to indicate you have read the instructions: _____

1) List three adjectives that describe you. Next to each adjective, include an explanation of why you think it is a good descriptor.

2) What is your favorite quote?

Why is this quote your favorite?

3) What is your greatest strength?

How have you applied that strength in your personal life and/or academically?

4) What do you read for fun? Include any favorite books, magazines, websites, blogs, etc.?

5) What are some of the potential fields of study (majors, minors, areas of interest) you are considering studying in college?

6) What is your most important/meaningful activity or interest (in school or out)?

Describe your involvement in the activity?

Why is this activity your most important/meaningful?

7) List your extracurricular involvement. In lieu of listing activities, you can use the resume template in Naviance or include your own resume if you already have one. Note: Include involvement inside school, outside school (sports, clubs, jobs, volunteer work, etc), and whatever activities you engaged in during COVID to continue with your personal growth. Note dates of involvement, as well as your responsibilities within the activity.

8) Is there anything else you want your counselor to address in your letter of recommendation that is not already included in this questionnaire?
