

How to Make Elective Course Requests In Genesis

Elective course requests are only available under the **student's** Genesis account, not the parent's genesis account. It is recommended that students request at least 10 elective courses.

Requests must be submitted by the end of the day on Wednesday March 10. They cannot be modified in the portal after this date.

Step 1: Log into the **student** Genesis portal at students.whrhs.org

- Your full WHRHS school email address is your username
- Your password is the same one you use for school email and your Chromebook

Step 2: Go to the **Scheduling** tab, then click on **Requests**

- Click **Request a Course**
- Find the course in the list provided
- You can select a "Priority" and add "Additional Information" to the request
- Click on the **Request This Course** button

Totals:			██	██			

CODE	NAME	CREDITS	TYPE	GRADES	STATUS	PRIORITY	ADDITIONAL INFORMATION	
172	American Humanities	2.5		10 11 12		<input type="text"/>	<input type="text"/>	Request This Course
383	AP Computer Science Principles	5	Advanced Placement	10 11 12		<input type="text"/>	<input type="text"/>	Request This Course

If a course is not listed this may be due to the course's grade level or may not be offered next year. Please refer to the [2021-2022 Program of Studies](#) located on our website under the Counseling section. Physical Education and Health courses will be added prior to scheduling. Please be sure to click the info icon  which provides additional information regarding the course.

A student cannot request an elective course if the required prerequisites are not met. This will be indicated in the same column where it would otherwise say "Request This Course".

If you made a mistake, you can delete the request by clicking the trash can icon:
