

## **ELECTRONIC DEVICES**

The use of cell phones on campus during school hours is prohibited during the day with the exception of students being allowed to check their text messages during lunch time. Students may also refer to their cell phone within the confines of the classroom for academic purposes with teacher permission. It is strictly prohibited for students to take unauthorized pictures or recordings without faculty or administrative approval. Students in violation will immediately have their phones confiscated and may face serious disciplinary consequences. At no time between 7:30 am and 2:15 pm should a student be talking on their cell phone. Any parent/guardian who needs to contact their child should do so through the Main Office by calling 908-647-4800. In addition, the use of iPods is only permitted in the hallway during passing time, lunchtime, or within the confines of the classroom for academic purposes with teacher permission. Students who violate this policy will have their phones/iPods confiscated and will be **returned to their parents after 2:30 pm the following day**. The use of cell phone cameras and/or videos is strictly prohibited and subject to disciplinary action. **Criminal use of cell phones including cameras and/or videos will be referred to local law enforcement and the phone will be confiscated**. If a student refuses to hand over his/her cell phone or other electronic devices, the student will be considered insubordinate and be suspended from school.

**WHRHS will not be held responsible for items that are lost or stolen.**
