## Watchung Hills Visitors Guidelines 2021-2022

### GUESTS/SPECTATORS:

- Doors will open to spectators 20 minutes before the event start time. No one will be allowed in the facility before that time.
- In an effort to keep everyone safe, WHRHS is limiting spectators to 4 guests per student-athlete. A WHRHS staff member will check spectators in upon arrival.
- Spectators may not attend if they are ill, have a fever, or are experiencing COVID-19 symptoms.
- Spectators are NOT required to fill out and submit a COVID-19 Spectator Form.
- As a reminder, masks **MUST** be worn at all times by spectators, coaches, and student-athletes on the sidelines. (Unless there is a health-related concern) covering both nose and mouth.
- At least 3 feet of social distancing between individuals who are not members of the same household is recommended.
- Please be advised, tickets will NOT be sold for this event.
- Live Stream will be available for most games. Links will be available on our [YOUTUBE CHANNEL](#)
- Food and beverages may not be consumed in the school building at the time of athletic contests by spectators. No concessions will be sold at this time.
- We kindly request that spectators leave the building after the conclusion of the game to ensure our staff can prepare for the next event (*ie – JV spectators leave to clear the gym for Varsity spectators*).

### COACHES/TEAMS:

- Locker rooms WILL be available. HOWEVER, we strongly encourage teams to come prepared to play.
- Water jugs will be provided with disposable cups.
- As a reminder, masks **MUST** be worn at all times by spectators, coaches, and student-athletes on the sidelines. (Unless there is a health-related concern) covering both nose and mouth.
- Masks must be worn when teams utilize the locker room/classrooms/restrooms.

Thank you, and we look forward to welcoming you to Watchung Hills!
