PE MAKEUP GUIDELINES

1. All unexcused absences over FIVE (5) must be made up using the PE Makeup system in order to pass PE for the marking period and/or year.
2. Makeups will take place in the Gym 5/6 weight room from 2:15 to 2:40. Three (3) makeup sessions are the equivalent of one unexcused absence.
3. The PE Makeup schedule is available on the PE web page. Students will report to Gym 5/6 weight room at 2:15 on PE Makeup days.
4. Students log in and log out using the PE Turnstile program in order for the makeup session to count towards recuperating an unexcused absence. This is the only valid form of proof of attendance.
5. Students have an opportunity to make up an unexcused absence during subsequent marking periods. It does not matter if the student is scheduled for Health class, s/he can still make up an unexcused PE class session during marking periods 1-3.
6. Marking period 4 unexcused absences must be made up during marking period 4 and before the end of the school year. PE Makeup sessions do not extend beyond the current academic year in which the unexcused absence(s) occurred.
7. A student who does not make up all unexcused absences for any given marking period will receive the grade of NC (No Credit).
8. Once all unexcused absences over 5 have been made up via PE Makeups, the grade of NC will be changed to a P (Pass). A student must have a grade of P (Pass) in each PE marking period in order to pass PE for the year.
